

BUCKDEN WEDNESDAY STROLL

10 MAY

LYNTON FIVE BRIDGES STROLL

This classic walk was created some four years ago for the Buckden Strollers and was completed by two walkers in addition to the walk leaders on that occasion. We anticipate this event to be drier this time. The route is just under two miles, is good under foot with no difficult stiles and takes in the refurbished 1927 (?) Archimedes Screw, Lynton Falls and Lynton Church.

Key points:

- Meet at The Buck for lift share to leave promptly at 6.00 PM or
- Meet at the Fountaine at Lynton ready to walk at 6.35
- Meals must be chosen from the attached menu and notified to Robin (Tel. 01756 761 320 robin.davidson3232@gmail.com) by 6.00PM on Monday 8th May.
- Meals booked for 8.00PM
- Only 20 diners have been accepted for block booking. When this allocation is complete you will have to book your own table.
