

Buckden Walkers - The Inn Way – Stage 4

Sunday 26 June 2011

South of Grinton to West Burton. About 8.5 miles.

A lovely walk that rises briefly and gently to the Height of Greets, leaves Swaledale, and descends into Wensleydale traversing the north side through Castle Bolton, West Bolton and Carperby before crossing the valley floor at Aysgarth Falls and proceeding, after a brief ascent, to the junction with Bishopdale at West Burton.

Meet outside the Buck Inn at 10.00am.

NT Minibus is available and we expect that our car and one other will be sufficient.

Opportunities for refreshment at Carperby (Wheatsheaf) and Aysgarth Falls (YDNP Info Centre). There is a picnic area near to the route at Aysgarth Falls which would be a great spot if people were prepared to leave eating towards the end of the walk.
