

Buckden Walkers

Wednesday 10th July 2013

Another walk with Graham & Jan

The Walk Meet: Kettlewell Car Park 6.30pm prompt Diners only 7.30pm

We have not one but two walks arranged for this evening (3 if you opt for the soft option). Both will take just over the hour.

Walk 1

For those who like to work up an appetite, this is a moderately uphill walk towards Moor End then turning back to walk along the lower level of Gate Cote Scar and the down through Knipe Wood.

Walk 2

A flat walk although there are a number of stiles. Walking through the Churchyard, up the Green Lane, then picking up the Dales Way towards Scargill. Back along Conistone Road and then down Lover's Lane. At the bottom there is a choice- for the cowards (could use the excuse of needing more drinking time)-turn right along the river bank. Otherwise, carry along the river bank to the Stepping Stones, just repaired so there is less chance of falling in, and then back along the far bank to Kettlewell.

Venue: The Racehorses Hotel
