

Buckden Christmas Lights Competition 2007

Following the success of last years Christmas Lights Competition (Winner – Ted Salmon), and in the light of comments from certain residents that they didn't know that there was a competition, or indeed how to enter it, it has been decided by the Christmas Lights Strategy Committee (Chair, Mr E Salmon) to formalise proceedings. Accordingly, residents wishing to enter the competition should complete this form and return it to the Chief Adjudicator (details below) by 23rd December. Judging will take place between Christmas Eve and New Years Eve. Entry forms accompanied by a festive contribution (preferably alcoholic) are particularly welcome and will certainly receive favourable consideration during the adjudication process.
