Handwriting Set Pieces – taken from

Classic Fairy Tales by Hans Anderson -The Ugly Duckling

5 – 7 years

It was so beautiful out in the country. It was summer. The fields were enclosed by woods, and hidden among them little lakes and pools.

8 – 11 years

“Quack ... Quack,” said their mother. “Look around you.” And the ducklings did; they glanced at the green world about them, and that was what their mother wanted them to do, for green was good for their eyes.

“How big the world is!” piped the little ones, for they had much more space to move around in now than they had had inside their eggs.
