

We need your HELP PLEASE – Autumn Tidy up

Autumn Tidy up around Kettlewell Primary School grounds – Sunday 15th October (weather permitting – otherwise Sunday 5th November)

We need your help with the following jobs, if you are available and would like to come along and join us from 10 a.m. – 12 Noon ish. (or anytime between these hours).

- Collecting & gathering of loose sticks from woodland/Forest School area
- We need a tractor/Van to take lots of rubbish to Skipton tip, and or to a bonfire site.
- Bring a shovel and yard brush if you have one for scraping debris round the back of school and then sweeping and shovelling it into rubbish bags
- Anyone with a strimmer?? The pond area needs strimming back and lots of hands on deck to clear and empty away lots of overgrown bushes and plants. We could also do with the area around the goal posts strimming.
- Anyone with strong loppers?? Lots of overgrown branches need a good trimming around the grounds
- Topsoil anyone??? We could do with topping up garden areas in Class One outdoor area underneath the old school entrance and in front of the kitchen window area.
- Where possible anyone fancy cleaning the windows inside and out?
- Need lots of sweeping up and gathering of debris so lots of sweeping brushes
- Has anyone got any strong garden rubbish bags and trugs?? To help with the collecting of debris?

As you can see from the list there is plenty to do but you know what they say:

“Many hands make light work”.

There will be refreshments provided and it should be fun so please come along if you are able to even if you are only able to come for an hour it all helps! Everyone will be welcome to come along and help.
