

SCARECROW WORKSHOP

SUNDAY 16TH JULY 1-4 PM - KETTLEWELL VILLAGE HALL

Want to make a Scarecrow, but don't know how? Then come to the workshop where help is on hand to build your Scarecrow. All the things you need – a frame, straw and old clothes will be available on the day, just bring your imagination and some old tights (to stuff).

Come along at anytime in the afternoon, teas and coffees will be available or bring a bottle to help keep you going.

Wanted! DIY volunteers - 10am to 12pm to help paint the signs and reconstruct the headless scarecrow.

The Kettlewell Scarecrow Festival will be held on the 12th to 20th August and we need your help to make this year as good as last year, if not better. The festival is an important event to the village raising funds for the School, Village Hall and Church but also for other groups in the village. Last year's festival benefitted groups including the Cricket Club, the Toddler group, and the Children's fund.
