Dear Friends,

On behalf of everyone at the Yorkshire Air Ambulance (YAA) charity I would like to thank you for your generous donation of £93.64. We would like to say a big thank you for allowing YAA to have a free stall at your event.

The YAA currently operates two helicopters – one based at Nostell Air Support Unit, near Wakefield and the other at RAF Topcliffe, near Thirsk. Both of which can be airborne in just two minutes, flying at speeds of up to 160mph. We currently attend over 1000 missions a year, an average of 3 incidents every single day.

- ❖ **90%** of YAA patients are flown to one of the region's four Major Trauma Centres: Leeds General Infirmary, Sheffield Northern General, Hull Royal Infirmary or James Cook University Hospital, Middlesbrough.
- ❖ **90%** of all emergency missions result in a patient receiving expert clinical treatment from YAA aircrew paramedics or doctors.
- ❖ **90%** of Yorkshire's population live within a maximum of 20 minutes' flying time of the two YAA Air Support Units.

As you are probably aware it costs the charity £12,000 every day to keep both our helicopters maintained and in the air. Every donation we receive will help us to carry on flying and saving lives across the region seven days a week, 365 days a year and we are extremely grateful for your support. Thank you for thinking of The Yorkshire Air Ambulance and supporting our work.

Yours sincerely,

Marie McParland

Dear Friends,

On behalf of everyone at the Yorkshire Air Ambulance (YAA) charity I would like to thank you for your continuous support and generous donation of £591.50, raised from quiz nights over winter.

The YAA currently operates two helicopters – one based at Nostell Air Support Unit, near Wakefield and the other at RAF Topcliffe, near Thirsk. Both of which can be airborne in just two minutes, flying at speeds of up to 160mph. We currently attend over 1000 missions a year, an average of 3 incidents every single day.

- ❖ **90%** of YAA patients are flown to one of the region's four Major Trauma Centres: Leeds General Infirmary, Sheffield Northern General, Hull Royal Infirmary or James Cook University Hospital, Middlesbrough.
- ❖ **90%** of all emergency missions result in a patient receiving expert clinical treatment from YAA aircrew paramedics or doctors.
- ❖ **90%** of Yorkshire's population live within a maximum of 20 minutes' flying time of the two YAA Air Support Units.

As you are probably aware it costs the charity £12,000 every day to keep both our helicopters maintained and in the air. Every donation we receive will help us to carry on flying and saving lives across the region seven days a week, 365 days a year and we are extremely grateful for your support. Thank you for thinking of The Yorkshire Air Ambulance and supporting our work.
