12 September 2018

Dear Resident/ Proprietor,

DALEGARTH BUCKDEN – ROAD CLOSURE FOR CARRIAGEWAY RESURFACING

This letter is to inform you that North Yorkshire County Council will be undertaking highway maintenance involving road planing and resurfacing over the full length of Dalegarth in Buckden – see plan on the back of this letter.

The works will be carried out during a road closure between the hours of 07:30 and 17:00, starting on Wednesday 19th September for up to 3 days (excluding weekends).

The work is part of an extensive programme and as a consequence it is possible that some adjustment to this start date or the duration of the works may be necessary should unforeseen circumstances such as significant weather events or emergencies on the highway network arise.

The road closure will inevitably restrict vehicular access to properties directly affected but our contractors will try to assist you where possible during the working period through the use of on-site personnel tasked with managing access. If you require access to your property, then please approach the on-site personnel for assistance. Please be advised there will be periods when access will just not be possible due to the nature of the works and physical constraints of the site. Pedestrian access will be permitted but only at times when it is safe to do so. We request your assistance in the following ways:-

- If possible, make arrangements to store your vehicle at an alternative location;
- Please cooperate and comply with any instructions issued by the traffic management operatives and take extra care whilst within the works area.

A plan showing the extent of the works is shown on the back of this letter, for your information.

I would like to take this opportunity to apologise for any disruption that these works may cause and would again request your cooperation to help ensure an efficiently and safely executed project.

Yours faithfully
Customer Resolution Centre
