

## *Upper Wharfedale Primary Federation - Governor Vacancies*

### ***Would you like to help shape the future of our Dales Schools?***

As you all know, Kettlewell School is part of the Upper Wharfedale Primary Federation alongside Burnsall, Cracoe and Grassington. We have one full time equivalent Executive Headteacher and one Governing Board. Members of the Board are appointed by a mixture of nomination, election and co-option depending on the post.

At the present time we have two vacancies for co-opted Governors. These vacancies are open to all members of the community.

Being a Governor is interesting, worthwhile and a chance to contribute to the local community by engaging with our schools. Full Induction and training around our core strategic purpose is available, both in – house and from the Local Authority.

We would like to fill the posts with people who have a variety of skills. An education background can be helpful but is not essential. Expertise in Finance, HR, Buildings and site management, Health and Safety, Safeguarding and other aspects of leadership are always extremely valuable.

If you think you may be interested and would like to find out more, please contact me - details below - and we can have an informal chat about the role and its commitments.
