

Upper Wharfedale Primary Federation Governor Vacancies

Would you like to help shape the future of our Dales Schools?

Having recently decided to change its Instrument of Government to increase membership from twelve to fourteen members to ensure we can give the maximum support to our schools, together with a resignation from a Parent Governor, we find we have three vacancies on the Board at the present time. The Parent Governor will be appointed following nomination and election amongst the parent community.

The remaining posts are filled by the Governing Board and are open to all members of the community.

Being a Governor is interesting, worthwhile and a chance to contribute to the local community by engaging with our schools. Full Induction and training around our core strategic purpose is available, both in – house and from the Local Authority.

We would like to fill the three posts with people who have a variety of skills. In particular, one of the roles would be working with the Local Authority and Federation Business Manager around premises and Health and Safety. The other two can be adapted according to the skills and interests of those appointed.

If you think you may be interested and would like to find out more, please contact me -details below -and we can have an informal chat about the role and its commitments.

Anne Vetch

Chair of Governors
