

Buckden Platinum Jubilee Street Party – Sunday 5th June

As you will be aware, we are holding a Street Party in Buckden on Sunday 5 June as part of the Platinum Jubilee celebrations. The village institute committee are organising this event on behalf of the Parish Council. Providing we are blessed with good weather the street party will be held in the lane behind the village hall from 12.30pm. The fall-back position will be to hold it in the Village Institute in the event of poor weather. The event will be open to residents of the parish, and also to any holiday makers staying in the parish on that day, so please do mention it to your holiday cottage guests.

The event will be a Jacobs Join, so bring along a contribution to eat and drink. There will be a complimentary glass of wine on arrival – when Chris and Fi Clark moved away from the village they gifted us some cases of wine to enjoy at a social event so this is an ideal opportunity for us to toast their generosity.

It would be really helpful to have a rough idea of numbers planning to attend, to enable us to set out an appropriate number of tables and chairs, so please can you email me on streetparty@buckden.org to let me know if you will be coming (alternatively you can call me on 761024).

It may be necessary to coordinate the food contributions nearer the time, to avoid too many Jubilee Trifles and not enough of everything else, but we can do that once we know who will be attending.

I know there quite a few holidays planned around that time but we really hope that you will be able to join us at this unique opportunity to celebrate outdoors after such a long couple of years of social distancing.

Debbie
