

Kettlewell Churchyard Bird Watch

Come for a 30 or 60 minute session
between **Sat 6 - Sun 14 March** to spot
which birds are around in the churchyard

Note down your bird observations and take
photographs if you can

If you spot other wildlife please note them down too
describing where in the churchyard you saw them

Please email your observation notes, any images
and the date & time of your session/s to the
Churchyard Project at diwilliams.labyrinth@gmail.com

Feel free to do more than one session within the week!

This is part of the Churchyard Project's aim to
gather information on the diversity of wildlife in
the churchyard
