

Road Closures in Kettlewell, Starbotton and Buckden

We have been advised by Quickline that there will be 3 night road closures (20:00 – 08:00) taking place on the 3rd of October to the 6th at the locations below. The roads will be reopened during the day. Diversions will be in place in Kettlewell and Buckden and they will try to accommodate essential and local traffic through the Starbotton closure, although there may just be some slight delays while the workers make the route safe.

Anyone wanting more details can contact Lee Jackson, Quickline Area Build Manager on 07800829344
